

EMPOWER

WITH ACTS **M**ETRO

EMPOWER FAMILIES. ▶▶▶▶▶
----- FOR THE LONG RUN.

**WE EMPOWER FAMILIES IN CRISIS
TO MOVE FROM DESPAIR AND DEPENDENCE
TO HOPE AND SELF-SUFFICIENCY. ▶▶▶▶▶**

HOW?

Accountability is the key to long term change.

We pair families in crisis with a mentor for an entire year. We help them with bills, budgeting, food, furniture, friendship... while holding them accountable to achieve their individual goals.

Our families aren't faces on a postcard from somewhere around the world. They're in school with your children. They're in front of you in line. They're your neighbors.
